Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) request, which was originally submitted to the United States Secret Service (Secret Service) on July 30, 2014, for information pertaining to all records of twitter messages which the USSS considers to be a threat against the President of the United States created after May 5, 2011

In our previous letters to you, we advised you that the Secret Service searched its main indices, and any responsive records identified in connection with that search have been located and forwarded to this office for review and a disclosure determination.

As we continue our efforts to reduce the backlog of cases, we have encountered further delays in completing your request. Please be advised that, to date, your file has been reviewed, processed and is currently pending supervisory review. The processing of this file is in its final stages.

Thank you for your continued patience in this matter. We sincerely apologize for the delay you are experiencing and appreciate your continued patience as we diligently work to fulfill your request.

If you are no longer interested in this request or would like to discuss this matter, please contact this office at (202) 406-6370. Please use the file number indicated above in all future correspondence with this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Kim E. Campbell".
